

Safeguarding Training

C1 – Foundation safeguarding module (Basic awareness)

For all those who work with children or adults that are vulnerable.

e.g. for PSO, church wardens, new clergy/readers, or all who are in a position of trust within the church.

C2 – Leadership module

For all those who undertake a leadership role within the church including for PSO, church wardens, new clergy/readers, and leaders of various groups.

Safer recruitment, support and supervision.

We will carefully select and train all those working with our children or vulnerable adults (paid/unpaid). All workers will be provided with appropriate training, support and supervision to promote safeguarding of those at risk. We are committed to provide an environment that is as safe as possible for all, and we will adopt ways of working to promote their safety and wellbeing.

All those with any responsibility for our children must undergo regular DBS clearance.

COVID 19 RESTRICTIONS

All face to face training was cancelled in March 2020 due to the pandemic.

The Foundation module (C1) is now available on line and can be accessed via the Coventry Diocese Safeguarding and Training website.
